

NJFCA Boys on top form

22nd January 2017 The New Forest U16s boys produced two superb performances in the NatWest Under-16 Indoor Cricket League at the weekend to beat two strong sides. In the first game they chased down Bournemouth's 132-3 thanks in part to unbeaten knocks

from Campbell Golding and Rhys Wathen. In the second game, Totton & Eling were seemingly

in a strong position recording the 150-5, the highest score in the league this season. The Forest

boys however produced a top performance with runs all round as they successfully chased down

the target with the final ball for the loss of just two wickets.
