your view on these proposals, please ensure that these views are communicated to your club

representative that will be attending.

<u>Other Proposals</u>	
Last Man Standing in Regular Cricket Games

In ALL formats and age groups, no balls and wides to count TWO RUNS plus any others scored. NO extra ball except in final over	
In pairs cricket, each wicket taken will credit +5 runs to the bowling team (this will prevent the stigma of weaker teams going below the 'start' of 200 runs)	
Batting Bonus Points to remain as stated in current handbook for age groups	
Bowling Bonus Points, assuming 'Last Man Standing' is adopted	
1 or 2 wickets taken	1 point
3 or 4 wickets taken	2 points
5 or 6 wickets taken	3 points
7 or 8 wickets taken	4 points
9 wickets taken	5 points
